

CONSULTANCY CONTRACT P273 NORTH COMMERCIAL DISTRICT INFRASTRUCTURE DETAIL DESIGN OF FOOTBRIDGES AND AP SERVICES FOR ASSOCIATED ROAD WORKS

Location	: Chek Lap Kok Airport, Hong Kong
Date of Completion	: 2021 (anticipated)
GFA	: 2271.862sqm
Client	: Airport Authority Hong Kong
Role	: Executive Architect, Sub Consultant

Project Description:

Airport Authority Hong Kong has commissioned Lead consultant WSP / Parsons Brinckerhoff Group to undertake the Design consultancy of Contract P273 – North Commercial District Infrastructure Design Consultancy Services. L&O is acting as the AP and architectural design sub-consultant for the project. L&O's scope includes detail design of various air-conditioned Footbridges linking future developments, roads and sites including Asia World Expo in the North Commercial District. Apart from Design Scope, L&O is acting as the AP and responsible for the statutory submissions for the bridges, associated road works and demolition of existing buildings within the project area.
